## فقرات النهائى لثنائى اعدادى للفصل الثانى 2024

### Unit 5 (a persuasive letter)

Write a Persuasive **letter** by choosing an **unusual, endangered animal**. Persuade your readers to protect it.

Dear Sir,

I am writing to ask for help in protecting an endangered animal, the Arabic deer. It lives in the Arab world now. People think it will die out in 10 years.

I think the Arabic deer is a rare animal. It is very useful to our life. Scientists want to save it. It is good to life in the desert.

We should do everything we can to save this nice animal. Thank you.

Ali Hassan

## **Unit 6: (A letter of complaint)**

You spent the weekend at one of the hotels in Bahrain and you noticed that large quantities of **water** were being **wasted**.

Write **a letter of complaint** to the hotel manager.

Dear Sir,

I am writing this letter to tell you about the problem of wasting water in the hotel. People use the taps badly in the toilets, swimming pools, and in the rooms.

Running taps cause the lack of water. A report shows water waste is very bad for people. I ask you to stop this.

People do not know that water is very useful. The hotel doesn't repair the taps. So, a lot of water wastes.

I think we must do everything we can to save this water.

Thank you.

Best regards,

## **Unit 6: (A letter of complaint)**

You spent the weekend at one of the hotels in Bahrain and you noticed that large quantities of **food** were being **wasted**. Write **a letter of complaint** to the hotel manager.

Dear Sir,

I am writing to tell you about the food that your restaurant/ hotel wastes every day. Your meals are too big so people can't finish them. Some reports say we waste a lot of food every year.

Food waste is very bad for humans. It harms the land and water. Farmers use a lot of water to grow food. Cars use a lot of oil to carry food to markets. When we waste this food, we waste our natural resources.

Finally, I think you will do everything to stop food waste in your restaurant.

Thankyou.

Yours,

Ali Hassan

## **Unit 8 (A narrative essay)**

Write a true **story** about survival in 110-130 words. It could be about yourself, someone you know or a famous person.

In 2005, Ahmed Ali went camping in the desert with his friends. They went by car. They built their tents, and the weather was good. But suddenly, there was a storm and it rained heavily.

Ahmed and his friends sat under the trees, hoping the storm would pass quickly. Their clothes were wet. They were very cold, so they made a fire to stay warm. They were very hungry. They had no food, so they were afraid.

Finally, after four days, the storm and the rain stopped. The sun went up again. Ahmed Ali helped his friends to go back home safely. They were very happy.
