Grade 11 Set Book

Unit Seven "Broadcasting"

1-What do you think are the advantages and disadvantages of the media?

Advantages

- It is an important channel of communication.
- It is the most reliable source for forming public opinion.
- It provides us with the latest news.

Disadvantages

- It can encourage negative and destructive thinking patterns in the society.
- It can force people to think or act in an appropriate way.
- It has the power of forming and altering opinions.

2-Why do you think the media has to be as truthful as possible? How can this be achieved?

.....as it has a huge impact on the society and on forming the public opinion. b- It mustn't convey misleading messages.

3-In your opinion, which is more important the television or the radio? Why?
I think the TV is more important because you can not only hear but also watch it.

4-Kuwait has one of the best media in the Arab world. Discuss.

It is one of the most transparent media in the Arab world.

5-How do you think the internet has affected how we consume radio and TV?
The internet offers innumerable sources of information .It can act as TV and radio.

6- What policy does Kuwait's Official Media follow?

- a- Cooperation and respect for the affairs of other countries.
- b- Emphasizing on intellectual, social, political and economic development.

7-What is your favourite electronic device? Why?

In my opinion, television is by far the most important electronic device. You can not only listen but also watch everything on Tv.

8- How have electronic devices changed our life?

I think electronic devices have changed our life completely. They saved time and effort. They definitely have made our life easier.

9-The media is always a reliable source of knowledge. Do you agree? Why?

I don't agree. The media sometimes conveys misleading information.

Grade 11 Unit Eight

“Television Watching Habits”

1-What is your favourite TV programme? Why do you like it most?

My favourite TV programmes are news programmes. They give me the opportunity to know what is going on in the whole world.

2- How can we avoid the negative effects of TV?

...by making family rules about TV, watching TV with family and friends, setting limits on TV viewing time and turning the TV off during mealtimes.

3-TV can be educational. Do you agree or disagree? Justify your answer.

I strongly agree. It can help students visualize what they have learnt.

almanahj.com/kw

4-Make notes about the positive and negative influences television has on people's lives.

Positive influences

TV can be used to teach how to develop and use imagination. It can be used to teach family values. Moreover, TV allows you to think about your life choices.

Negative influences

Watching TV for a long time wastes time. It has bad effects on children. It causes health problems as overweight and bad eyesight.

5-Tv can be a valuable teaching aid? Do you agree or disagree? Why?

I totally agree, TV stations can offer educational programmes that can be viewed both in and outside the classroom.

6-Why are educational programmes on Tv important?

They help us practise languages. They help and improve our concentration by visualizing our lessons especially during science, math and geography lessons.

7-What is wrong with children's programmes?

Tv isn't selective in what it teaches. Some programmes teach children violence.
