B. READING COMPREHENSION (16 Marks)

Read the following text carefully, and then answer the questions below:

16

Once upon a time, in a small town, there was a robot named Robo. It had shiny long arms and legs, and a big smiling face. Robo was helping people with their daily work. It was watering the plants, sweeping the floor, and even telling stories to children.

One day, a big storm hit the town. Robo quickly began to help people, using its strong arms to lift fallen trees and it could clear the roads. People in the town were surprised how helpful Robo was during the storm.

The mayor of the town wanted to thank Robo. He prepared a special party for it. Children cheered and waved as Robo walked in the street. Robo could make a difference in the town. ahj.com/kw

From that day on, all people in the town loved Robo very much. Everyone knew they could ask Robo for a helping hand. From this story, we learn that being kind and helpful to others is the best way to gain people's love and to make friends.
