- Read the following passage carefully, then answer the questions that follow:

Travelling to another country can be an exciting experience. It is important to plan for it carefully by choosing the country which you are interested in. The first step is to think about what you want to see or do there. Some people travel for history, while others go for nature, food or adventure. This step sets the root for your trip.

Once you choose the country, make a list of the places you want to visit there. Try to learn about the weather, traditional habits, the language and the currency of the country. Surely, you should check if you need a visa or any specific health **requirements** to enter the country.

Booking a flight and a hotel early can save money and give better choices. It is also a good idea to create a daily plan. **It** helps you not to miss anything important during your trip. Don't forget to pack suitable clothes for the climate, a mobile with a good camera to make memories, and a translation app if needed.

Planning your trip well can make your holiday more enjoyable, and less stressful, ensuring a truly great trip.
