Reading Comprehension

Read the following passage and answer the questions:

Everyone knows that playing sports is good for the body and the mind. But choosing the right sport is also very important. Some people like fast sports such as football or basketball, while others prefer calm sports like swimming or yoga. The best sport for you is the one that makes you happy and keeps you active. When you enjoy what you do, you will keep doing it for a long time.

Before choosing a sport, think about your age, health, and free time. If you are strong and full of energy, try team games where you can run and play with friends. If you like quiet activities, you can try tennis or cycling. The goal is to find a sport that fits *your lifestyle* and helps you stay healthy. Remember, the right sport can make your life better in many ways, and it can also teach you teamwork, patience, and confidence.

Reading Comprehension

Read the following passage and answer the questions:

Our Earth is a wonderful place where people, animals, and plants live together. But the Earth is facing many problems like pollution, cutting down too many trees, and wasting water. **Pollution** makes the air and water dirty, **it** is bad for all living things. Cutting trees causes animals to lose their homes and makes the Earth hotter. Wasting water means there will be less clean water for people and animals to drink.

We can all help protect the Earth by doing simple things every day. Planting trees gives homes to animals and makes the air clean. We should always put trash in the bin and recycle things like bottles and paper. Saving water by turning off taps and fixing leaks is very helpful. Using less electricity by turning off lights and fans when not needed also protects the Earth. When we work together, even small actions help make the Earth a safer and healthier place for everyone.

A. Choose the correct answer:

1. The best title for this passage is:

A How to Destroy the Earth	B Problems of the Earth
C How to Protect the Earth	D Why Trees Are Important

Reading Comprehension

Read the following passage and answer the questions:

Technology helps us in many ways every day. Computers and phones make learning fun with videos and games. We can talk to friends far away through video calls. Doctors use technology to help sick people get better fast. **It** saves time for cooking and cleaning too. **Convenient** tools like washing machines make life easy. Children can find answers to questions quickly on the internet.

But technology has some problems too. People spend too much time on screens and forget to play outside. This can hurt eyes and make kids lazy. Phones can be dangerous if we share secrets online. Sometimes machines break and we feel sad. It costs a lot of money to buy new gadgets. Friends meet less because they chat on phones instead.

A. Choose the correct answer:
