7. Families have a lot of fun when they meet together during **celebrations**.
8. It is important for **pedestrians** to look both sides when they cross the street .

B) Reading Comprehension (16 Marks)

Read the following passage carefully, then answer the questions that follow:

Every school has a science lab where students can enjoy science. Mr. Hamad is a science teacher who loves science. He wants his students to love it too. He believes that safety is important in a science lab.

In Mr. Hamad's lab, experiments could include dangerous materials, so following safety rules is needed to avoid accidents and injuries. As soon as the students get into the lab, he makes sure they know what to do and how to stay safe. He starts with a smile, handing out safety goggles. Next, he asks students to wear lab coats to keep clothes clean and tidy.

It is important for students to listen carefully to their teacher's instructions before they start experiments. Mr. Hamad usually tells students what to do step by step. They should never taste or eat anything in the lab because some materials might be dangerous. Students should also remember, if they spill something, they should tell Mr. Hamad right away so he can help clean it up safely. They shouldn't run or play in the lab because it is a place for learning and discovery, not for running races. By following these rules, students can have lots of fun exploring and learning in the science lab while staying safe.

a) Choose the correct answer from a, b, c, and d: (6X2 = 12 Marks)

9. The **best title** for this passage would be:

- a. Safety Goggles
- b. The Importance of Science
- c. Exploring Science in School

- a. teachers
 - b. **students**
 - c. instructions
 - d. experiments
12. Why is wearing safety goggles in the science lab important?
- a. To start with a smile
 - b. To love going to science lab
 - c. To do experiments step by step
 - d. **To protect the eyes from dangers**
13. According to the text, which of the following statements is **TRUE**?
- a. Students can run in the science lab.
 - b. Playing is allowed in the science lab.
 - c. **Wearing a lab coat helps keep clothes tidy.**
 - d. Students should taste the materials to learn about them.
14. What is the writer's **purpose** of writing this text?
- a. To describe the equipment in a science lab
 - b. To show why science is funny for students
 - c. **To explain rules for students to be safe in a science lab**
 - d. To compare different kinds of science experiments in schools

b) Answer these questions: (2X2= 4 Marks)

15. What should students do if they spill something in the lab?

They should tell their teacher right away. / The teacher helps clean it up safely.

16. Why should students listen to the teachers' instructions before an experiment?

To learn what to do / To stay safe / To have lots of fun exploring and learning in the science lab while staying safe / To avoid accidents and injuries.

Any reasonable answer with reference to the passage is to be accepted.

II. Writing (30 Marks)
