(ابتدائي - متوسط - ثانوي)

Model Answer

Unit 1

Life in Kuwait in the past was completely different from life nowadays. In the past people lived in small houses made of mud. They worked in fishing and trading. They played traditional games. Nowadays, life is modern and comfortable. People live in modern houses. They play video games. Finally, life nowadays is better than life in the past.

Unit 2

Smart devices have many advantages and disadvantages. They help students learn new things. They make communication easier. However, smart devices can cause addiction. Some people may lose sleep or feel tired. Finally, we should use smart devices wisely.

Unit 2

One of the most important inventions in history is the telephone. It was invented by Alexander Graham Bell in 1876. It was used only for business, but later it became common in every home. People can now call or message each other. It helps in emergencies, allowing people to call for help. Finally, the telephone has become an important tool in our daily lives.

Unit 3

There are many ways to lead a healthy lifestyle. First, people should eat balanced meals. They need to drink plenty of water and get enough sleep. However, following unhealthy habits can cause many problems. People shouldn't eat too much junk food. Lacking of sleep affects concentration and mood. Therefore, avoiding bad habits is important to live a long and healthy life.

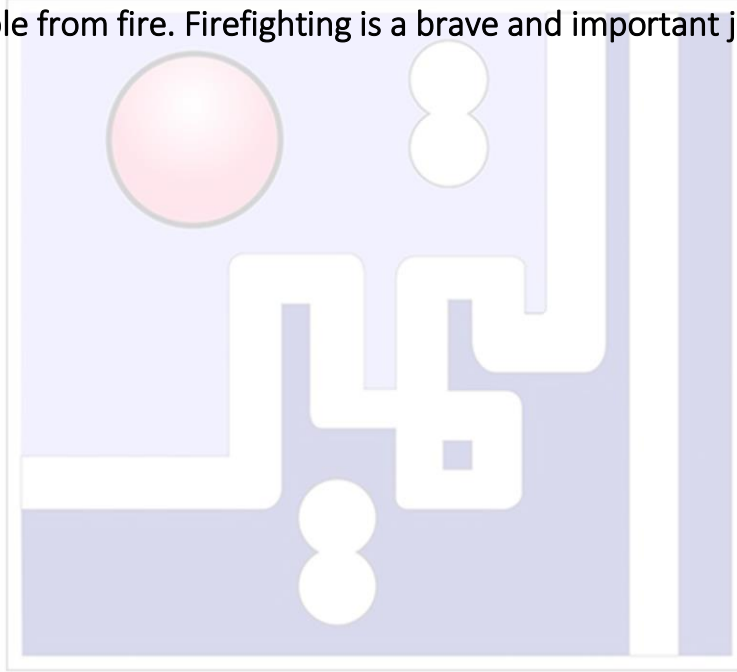

Unit 4

My dream job is to be a doctor. Doctors help sick people get better. They help people live healthy lives. To be a good doctor, a person needs skills. A doctor must study hard and learn medicine. They should be kind and patient. Everyone should work hard to achieve his dream job.

Unit 4

Some jobs are very dangerous but important for society. Firefighters face fire every day. They climb high buildings to save people. Firefighters help keep people safe. They rescue people from fire. Firefighting is a brave and important job.
