## B- Reading Comprehension (4X1=4)

### Read the following passage then answer the questions below (4X1=4 marks)

Social media plays an important role in daily lives today. It allows people to communicate easily with friends and family., even if they live far away. Through social media, we can share photos, ideas, and news in seconds. It is also useful for learning, as students can watch educational videos and follow helpful pages. However, social media has some disadvantages. Spending too much time online can affect our studies and reduce real-life communication. Some information shared on social media may also be false or misleading. Therefore, we should use social media wisely and responsibly. By limiting our screen time, checking information before sharing it, and balancing online activities with real-life responsibilities. We can enjoy the benefits of social media without harming our health, time, or relationships.
