My favorite game

My most favourite game is Football. It is a world famous game. People walk long distances to watch a football match. Even old people enjoy watching this game. I go to the field near my house where my friends wait for me every afternoon. We play until dark. But it is a very hard game. It requires a lot of strength to kick the ball. They must also be skillful in controlling the ball. All this makes the game a difficult game indeed. Playing football however helps us to be healthy and active.
