Dear Asma,

How are you? I hope everything is good and you are doing great. I am enjoying school these days. I am writing to tell you about my Arabic project.

Our Arabic teacher asked us to do a project about great Arab explorers and I was excited to do it. The teacher will give a gift for the best project, so everybody is working hard to win. We are working in groups. Each group has 5 students. Maryam, Rania and I got some information from the books in our school library. Jamila and Fatma got some information from the internet also.

I need some information from you about any Omani or Arab explorers and some other information about the countries they visited or discovered.

I hope that my group will get the gift. I am waiting for your e-mail. Please write to me soon. Good Bye
