READING

Read the text. For each question, write a short answer (**not more than FOUR WORDS or a NUMBER**).

This morning, I went with my friend Sharifa to a clothes shop. We're in a play at school, so we needed some different clothes and accessories. I bought a lovely bracelet. I think it's made of silver, and I've got a pair of earrings at home that look like it. I love accessories! I also bought a pair of very colourful trousers. Sharifa bought a sweatshirt. It's baggy and it looks really comfortable. After that, we went to her house. I'm helping her with some jobs, then we went to practice for the play later. We've already dusted the furniture and cleaned the windows, but we haven't vacuumed the carpets yet.

1. What accessory did Nada buy?

2. What are the trousers like?

3. What is Sharifa's sweatshirt like?

4. What is Nada doing before they practice for the play?

5. What haven't they done yet?
