Dear Salma,

I just came back from my school trip to Dubai, and I had the best time ever! On the first day, we went to the top of Burj Khalifa. It was so high that everything below looked tiny. The view was fantastic! The next day, we visited a science museum where we saw robots and space models. It was very interesting and fun to learn. On the third day, we went on a boat trip around the Palm Islands. The water was clear, and we even saw dolphins! In the evening, we had dinner at a traditional Arabic restaurant, and I tried new food for the first time — I really liked it. I took lots of pictures and bought gifts for my family. I hope we can go on a trip together next time!

**Your friend,
Lina**
