Listening Script:

<i>Speaker 1:</i>	Last summer, I travelled to Malaysia. The best place I visited was the theme park. I enjoyed the slides and trampolines. It was really amazing.
<i>Speaker2:</i>	My little brother likes to go to soft play center. My mum takes him every Monday. It's children favourite place because they have fun. Children can jump, climb and run safely.
<i>Speaker 3:</i>	We learned about scientists. They are extremely clever. They make experiments and invent new things like Albert Einstein. He invented light bulb. I hope to be as clever as scientists.
<i>Speaker4:</i>	Last Friday, we went to the planetarium. It was like a round sky. When the lights went off, stars appeared everywhere. I saw planets, rockets and the moon flying around us. I felt like I was in space.
<i>Speaker 5:</i>	Yesterday, I watched a comedian on the tv. He told funny stories. Everyone in my family laughed so hard! He make jokes about school, food, even his grandma's cooking. I like to make people laugh so I am really excited to be a comedian in the future.
