Dear Amna,

How is school? I hope you are enjoying your studies. Thank you for your letter. Your pictures in Italy were really nice. I hope you had a great summer holiday.

I heard that Italy is very hot in summer just like Muscat, and so many people go on holidays to Salalah and other countries which have nice cool weather. Dhofar has a wonderful weather in summer. So my family decided to go to Salalah and spend three months in there. My grandparents live in Salalah, but they also have a house on the mountains. We stayed with my grandparents for a month on the mountains. It was fantastic. Everything was green. The trees and flowers were very beautiful. We went on picnics and saw many birds and wild animals like cows, camels, rabbits and foxes. We visited Marbat's beach and enjoyed eating lunch there, but we didn't swim because it's very dangerous. In during the holiday, a festival called Salalah Tourism Festival takes place in a place called Iteen. Many activities are done there like singing, dancing, funfairs, games and shopping. All families go there every night to enjoy their time. We returned to Muscat very happy for all the fun we had during the summer holiday.

Tell me more about your trip to Italy.

Zahra

Listening 2

Last summer, I enjoyed the holiday a lot. It was really nice. I didn't travel abroad, but I did many things in my free time. For example, I've always wanted to learn playing the piano, so I took piano lessons with a music teacher. When I didn't have lessons, I went shopping with my friends at the malls. In the weekends, I enjoyed going out on picnics with my family. We went to the mountains and saw wild animals and birds. There are many activities you can do, so wasting time can be really boring.
