PORTAL TO ENGLISH 10A

Workbook

Module 1a

A. Circle the correct words.

A: Who was on the phone?

B: It was Jessica. She 1 **comes** / **is coming** to visit us next week.

A: That's great news! Is she still living in Coventry?

B: No, not any more. She moved to Manchester because she found a job there. She
2 **stays** / **is staying** at her brother's place until she 3 **find** / **finds** her own flat.

A: 4 **Does she like** / **Is she like** it there?

B: I 5 **think** / **am thinking** so, but you can ask her next week.

B. Complete with the Present Simple or the Present Progressive of the verbs in brackets.

Hey Natalie,

How are you? I 1 **'m writing** (write) to ask for your help. I 2 **hope** (hope) that you 3 **don't mind** (not mind). I 4 **'m thinking** (think) about moving out of the flat that I 5 **'m renting** (rent) at the moment. The expenses 6 **are** (be) too high and it's too big for one person, so a smaller one would be better for me. Also, I 7 **'m starting** (start) to get tired of the traffic and the noise. I 8 **never have** (never / have) any peace and quiet! Anyway, I 9 **need** (need) a favour. 10 **Do / Have** you **have / got** (have)

Attached files

free time next week to help me? I 11 **want** (want) us to look at a few flats together before I decide which one to rent. My brother 12 **usually helps** (usually / help) me with things like this, but this month he 13 **'s working** (work) really long hours and he 14 **doesn't have/ hasn't got** (not have) much time. What 15 **do** you **say** (say)?

See you,

Britney

C. Complete with the correct form of the words in capitals.

In 1688 a Swiss doctor, Johannes Hofer, made an interesting
 1 discovery. One of his patients was very ill, and was **DISCOVER**
 probably not going to make it. The patient was growing very
 2 impatient, and constantly complained about the **PATIENT**
 3 loneliness he felt in the hospital. In the end, Hofer **LONELY**
 decided to send him home to his family. Amazingly, changing
 4 location had a very positive effect on the patient and **LOCATE**
 he started to get better. It is the first recorded case of homesickness,
 and Hofer went on to do a lot of research on the subject. Most
 importantly, Hofer discovered that people don't feel homesick for
 their actual place of 5 residence. They could live in a **RESIDENT**
 huge 6 luxurious house, but it wouldn't matter. It's their **LUXURY**
 family and friends that they miss the most.

A. Match.

My Big Life Change

I moved to Qatar about six months ago because of work. In the beginning, it was hard to get 1 over the feeling of homesickness but now I'm starting to get 2 used to living here. Actually, I 3 am/m even starting to like it because it is turning 4 into a great experience. You see, when I arrived, I immediately signed 5 up for Arabic lessons to learn the language. There, I met some very interesting people 6 and I've made some pretty good friends. Also, the fact that I live 7 in/near Doha makes living here even better. Of course, I haven't forgotten my family and friends back home. So, I use the Internet a lot to keep in contact because I don't want to miss out 8 on what's going on there.

A. Choose a, b, c or d.

Against All Odds

Some stories about how people have survived in extreme **1** ____ are absolutely unbelievable. This story about two brothers who survived an accident in the Andes shows that human **2** ____ can be amazing.

Everything was going well for Justin and Steve Stone, two **3** ____ who were exploring the Peruvian Andes, until the moment Justin accidentally slipped and broke his leg. Steve tried to use a rope to help Justin get down the mountain, but after a while Justin fell again, this time off a cliff. For about two hours, Steve continued to **4** ____ on to Justin, without being able to see him.

- | | | | |
|-----------------------|---------------------|---------------------|----------------------|
| 1. a. supplies | b. odds | c. shelter | d. conditions |
| 2. a. search | b. endurance | c. life | d. breath |
| 3. a. hikers | b. rangers | c. survivors | d. passers-by |
| 4. a. dig | b. hold | c. drown | d. spot |

They were in a terrible situation and had no idea what to do. **5** ____, Justin decided to cut the rope so that at least his brother could survive. Justin fell into a large hole filled with snow and Steve climbed down to look for him. He couldn't find him and each brother was on his own.

Justin, who was now seriously **6** ____, didn't give up. He wanted to survive. He **7** ____ himself through the snow for five miles, without any food or water, and finally managed to reach the campsite. There, he found his brother, who was also **8** ____ from his own injuries. In the end, they both survived.

- | | | | |
|----------------------|------------------------|----------------------|----------------------|
