Hello Ali!

How are you? I hope you are fine. I'm writing to you to tell you about my favourite subjects at school. I'm good at science. In science class, we sometimes do experiments. I really enjoy them. I love my English class too, because we always read stories and learn new words.

I'm proud of how well I do in these subjects, and I always try my best. I'm bad at art, but I'm trying to develop my drawing skills in my free time. What about you?
