## Reading Comprehension:

### Read the passage and answer the questions.

Dolphins are animals that live in water. They can stay underwater for a long time. Some dolphins live in the sea and some live in the river. They like warm water.

Sometimes, dolphins swim near the ships. They jump out of the water again and again. They can swim very fast- up to 55 kilometers an hour.

There are small and big dolphins. Some dolphins are two or three metres long. People like dolphins because they are not dangerous animals. They are very intelligent, and they love playing.

Dolphins have smiling faces. Dolphins are friends of people.
