Reading Comprehension:**Directions: Read the passage and answer the questions.**

Last Friday, Islam and Waleed who lived in a small village in Oman, went fishing on a small boat. The weather was sunny and warm. They were very happy and excited because there were a lot of fish to catch. Suddenly, a storm blew, and their boat turned over because the wind was strong, and the waves were very high.

Islam and Waleed lost all the fish they caught. Islam was not able to swim and asked Waleed to leave him and go, but Waleed refused to let his friend drown, so, he carried Islam and swam until they reached near a big island.

There was no one on the island. They were very hungry and tired. Luckily, there were bananas and date trees, so they stayed for two days eating bananas and dates. Their families were very worried about them. At night, Islam and Waleed felt cold so they made a shelter from trees wood. Every day they went to **seashore** and waited for any ship to help them.

On the third day, they saw a big ship and they waved to it. The people on the ship saw them and went to the island and saved them. Islam and Waleed were very happy and decided not to go sailing alone again.

Reading Comprehension:**Directions: Read the passage and answer the questions.**

Dolphins are marine mammals that are related to whales. A marine mammal is one that lives in the water. Dolphins are found all over the world's oceans as well as in rivers and marshes. Dolphins are carnivores, they eat fish, squid, and other marine life. They often swim together in groups called 'pods.' They are thought to have powerful eyesight and hearing, but do not have a sense of smell.

Dolphins come in different sizes. Some are smaller than the average person, but others, such as the orca, can be 30 feet long, or more than five times as long as the average person. Dolphins are thought to be very intelligent and communicate with each other using clicks and whistles. All dolphins are powerful swimmers. Have you ever seen a dolphin? Groups of dolphins can often be seen easily because they bob in and out of waves close to the shoreline. Dolphins can live up to 25 or 45 years.
