Last weekend I visited my grandparents with my friend, Jim. It was a beautiful day, so we went for a walk near my grandparents' house. We were walking and talking to each other when we saw a park. We wanted to explore it so we went in. We were walking in the park when I fell into a big hole. It was full of water. First, I swam around for a few minutes and then, I came out of the water. It was dark and I couldn't see anything.

I was in another place. I shouted my friend's name but he couldn't hear me. After that, I walked around for two hours. Later, I heard someone calling my name and I saw the park again. Finally, I left the park and I found I was next to my grandparents' house. My friend Jim was there, too. They were all happy to see me and I was very happy to see them!
