Reading

Reading Comprehension:

Directions: Read the passage and answer the questions.

How many pencils do you usually use in a school year? Do you throw them away? You can use green pencils to make a garden full of **beautiful** flowers! When your pencil is too small to use, just plant it. These special green pencils haven't got a rubber on top. They have got a seed. Just choose the right place to plant it, add some water and then plant the pencil.

It's better that the pencil is leaning to one side because this way helps the plant grow more easily. Don't forget to plant it in a place with a sunlight.

The best part is that you can choose what your old pencil can become either colorful flowers or delicious vegetables and plants.
