Dear Diary,

Yesterday, I woke up early. I didn't want to stay at home, so I called my friend Haya and asked her to hang out together. I met her in town with her parents and went to the shopping centre.

First, we went to a computer shop because I wanted to buy a new computer game. I didn't like any of the games, so I didn't get one. Then, Haya and I went to the sporting goods shop. Haya wanted to buy a rucksack for her camping trip. She found a great green one. It was really big!

We were walking by Green Park when we saw a nice café. We sat there with her parents to have some ice cream. I got chocolate, but Haya ate strawberry because she doesn't like chocolate. The weather was beautiful and we wanted to take a photo to remember our fun day. I looked in my bag for my mobile phone, but it wasn't there. I was crying about my lost mobile phone when I suddenly saw my sister and our cousin, Omar. I told her that I lost my mobile phone, and she called Mum and asked her to look for it at home. Mum looked on my desk and then in my school bag and finally under my bed. It wasn't anywhere! I was really sad because it was a present from my grandmother. I began to cry again. Suddenly, my sister's phone rang! It was Mum! She said that when she walked into the kitchen she found my mobile phone on the kitchen table! I was so happy!
