## Reading

### 1- Reading Comprehension:

Directions: Read the passage and answer the questions.

Phones are small, portable devices that people use to talk to each other, send messages, and access information. They have changed a lot over time. The first phones were large and only used for making calls. Today, most phones are smartphones, which can do much more. They allow people to send texts, take photos, browse the internet, and use apps for everything from social media to games.

Alexander Graham Bell invented the first phone in the 19<sup>th</sup> century. Nowadays, the Smartphones are powerful and have high-quality screens, cameras, and fast processors. They are also used for things like checking the weather, getting directions, and tracking fitness. Phones have become an important part of everyday life because they help people stay connected and entertained wherever they go.

#### 5- What is the text MAINLY about?

- A. history of inventions
- B. information about phones
- C. information about smartphones
- D. communication between people

#### 6- What does the underlined word invented in paragraph (2) mean?

- A. made
- B. broke
- C. painted
- D. repaired

**7- What type of phones allow people to take photos?**

.....

**8- Who invented the first phone?**

.....

**9- Why have phones become an important part of people's lives?**

## Reading

### 2- Reading Comprehension:

Directions: Read the passage and answer the questions.

(1) Televisions show sounds and pictures. They get **data** from cables, discs, or over-the-air signals. They turn this data into sounds and images.

(2) People watch news and shows on them. You probably call them TVs. John Baird made the first TV in 1925. It had one color. It could only show 30 lines. This was just enough room for a face. It didn't work well, but it was a start. The first TV station was set up in 1928. It was in New York. Few people had TVs.

(3) The broadcasts were not meant to be watched. They showed the Cat doll show for two hours a day. The doll run around on a record player. They were experimenting. It took many years to get it right.

11- What is the text **MAINLY** about?

- A. the first TV show
- B. old shows on Televisions
- C. sounds and pictures of the TV
- D. information about Televisions

**12- What does the underlined word line data in paragraph (1) mean?**
