Part Two: Reading

Reading Comprehension: Read the text and answer the questions.

- 1 In a small town in Qatar, there lived a kind man named Khalid. He was known in his town for his big heart to help anyone in need. He had a shop in Souq Waqif where he sold dates, spices and traditional Qatari sweets.
- 2 One evening, Khalid turned on the news and saw a report about the struggles of Palestinian people. He saw images of families and children without food, homes and unsafe land to live in. Khalid knew that he had to do something to help.
- 3 The next morning, Khalid called his friends. "We must help our brothers and sisters in Palestine," he said. Everyone agreed, and they came up with a plan. They collected donations of food, clothes, and money to send to Palestine.
- 4 After a week, Khalid and his friends packed everything into boxes and put them onto a truck. Khalid traveled to Palestine to deliver the donations himself.
- 5 When he arrived in Palestine, the Palestinian families were very happy because someone came from Qatar to help them. He promised to continue supporting them. Khalid's kindness showed that even one person's action could make a big difference in the world.

Reading Comprehension: Read the text and answer the questions.

1__ Bill and Tom went sailing in their small boat on their holiday. They wanted to sail round the Red Sea for two weeks. During their holiday, they saw a large group of whales. Bill and Tom were very excited.

2 Unfortunately, while they were watching them, the whales began to hit the side of the boat. Suddenly, water started flooding in the boat and they realized that they were in trouble. They quickly jumped into the lifeboat while the boat was sinking under the water.

3 Luckily, they had enough food and water for twenty days. They also had a fishing rod and a machine that turned salt water into fresh drinking water. These two things helped them to survive during their awful experience.

4 For the next 50 days they caught about twenty fish and ate them raw. They saw about five ships, they waved and shouted but nobody saw them.

5 They felt very weak and extremely frightened. Then, just as they were beginning to lose hope, a fishing boat saved them. Their disastrous holiday was over, and they reached home safely, but very tired.

1. What is the story MAINLY about?

- A. catching a big whale
- B. discovering a new island
- C. a sailing competition in the sea
- D. A frightening experience in the sea**

2. In paragraph (2), what does the underlined word (disastrous) mean?

Reading Comprehension: Read the text and answer the questions.

Venice

1 Venice is a city in the north of Italy. It is built on 118 small islands that are separated by 150 canals. Venice is interesting because it does not have roads like other cities, some of the roads through the city are like small rivers. People use boats to move around the city. Venice even has special bus boats and taxi boats to move around the city.

2 There are some sidewalks in Venice, so people can walk around the city. Venice also has many beautiful bridges over its watery roads. People enjoy standing on the bridges and looking at the city. They also enjoy riding around the city in "gondolas", gondolas are long boats that can be pushed with a long stick.

3 Venice is famous for crafts, culture and tradition. People like to go shopping there for **incredible** handmade goods such as masks, glass and leather handbags.

4 Venice is wonderful, but the city has a big problem. When the water becomes high, the buildings sink and it is difficult for boats to go under the bridges. The people there are trying to stop this problem.
