Page 14

Tell us what new hobbies you are into!

'I really like working out, but I don't like doing sports. My friend Pete told me about Brazilian *Jiu-Jitsu* and I love it! It's better than taking part in team sports. Brazilian *Jiu-Jitsu* is not like karate. In *Jiu-Jitsu* you use your hands and legs, but there's no kicking. Pete and I usually train every Tuesday and Thursday after school at the sports club. We take part in competitions with other sports clubs and visit different places too. Next week we are going to take part in a competition in London. I can't wait!'

Jason, 13, Brighton

'I really like discovering different places in my city. I find bridges, tunnels and old train stations really interesting. My older brother, Steve, likes exploring the city too. So on Thursdays after school, we usually surf the Net for new places to discover and explore. Then, at the weekend, we go out with maps and cameras and take photos of the places we find. It's really cool and it's actually a real hobby, called urban exploration.'
