Reading Comprehension:**- Read the text and answer the questions.**

- 1) In a small town in Qatar, there lived a kind man named Khalid. He was known in his town for his big heart to help anyone in need. He had a shop in Souq Waqif where he sold dates, spices and traditional Qatari sweets.
- 2) One evening, Khalid turned on the news and saw a report about the struggles of Palestinian people. He saw images of families and children without food, homes and unsafe land to live in. Khalid knew that he had to do something to help.
- 3) The next morning, Khalid called his friends. "We must help our brothers and sisters in Palestine," he said. Everyone agreed, and they came up with a plan. They collected donations of food, clothes, and money to send to Palestine.
- 4) After a week, Khalid and his friends packed everything into boxes and put them onto a truck. Khalid traveled to Palestine to deliver the donations himself. When he arrived in Palestine, the Palestinian families were very happy because someone came from Qatar to help them. He promised to continue supporting them. Khalid's kindness showed that even one person's action could make a big difference in the world.
