PROJECT

Give your story a title.

An unlucky day!

Say when.

Who did you go with?

Where did you go?

What did you do there?

What happened?

What happened in the end?

Last weekend, the sun was shining, so my cousin and I decided to have a picnic by the lake. We rode our bikes to the lake and enjoyed our lunch in nature.

Suddenly, it got cloudy and it started raining. We decided to go back home. We were riding our bikes when my cousin's bike slipped, and he fell off. He hurt his leg and couldn't ride his bike. I helped him sit under a tree. We were wet and scared, and we didn't know what to do.

While we were waiting for the rain to stop, we saw some car lights. It was my uncle! He was looking for us. We were happy to see him!

- Write a story of seven sentences about an unlucky day.

Helping questions:

- Where and when did it happen?
- What happened first?
- What happened in the end?
- How did the characters feel?

Reading Comprehension

Directions: Read the passage and answer the questions.

Dangerous desert

My school organised a camping trip in the desert last year. On the first evening, my friend Ali and I decided to go for a walk. When we left the campsite, it wasn't dark, but after a while it got very dark. While we were walking, we heard a strange noise. It was coming from behind a tree. 'It's probably a wild animal!' Ali said. I was getting closer to the tree when I saw footprints and a long shadow! Just then, a big camel appeared from behind the tree and started chasing me. I screamed and ran away, but it continued to follow me. Luckily, a man from a village that was near was looking for the camel. He heard me and helped me.
