Reading 1

Directions:

Read the passage and answer the questions that follow :-

(1) Watching television is an experience shared by most adults and children. Because TV is cheap, a lot of people have a TV set at home. More than 90% of children watch TV. Sadly, TV is not used in a proper way to get the best possible benefits from it. The purpose of this essay is to persuade the reader that people shouldn't watch too much television because a lot of TV programmes are not educational; it wastes time that could be used in more beneficial activities; and it negatively affects people's mental development.

(2) Firstly, people shouldn't watch too much television because a lot of TV programmes are not educational. Nowadays, we can see movies, series, and shows that present scenes of violence and drugs. This has caused the audience to develop negative behaviour. Moreover, violence affects children negatively because they think that problems can only be solved with violence.

(3) Secondly, people shouldn't watch too much television because it wastes time that could be used in more beneficial activities. The time we spend watching TV could be used in useful activities like exercise, reading, and interacting with friends and family.

(4) Finally, people shouldn't watch too much television because it negatively affects people's mental development. According to several scientific studies, watching TV for long periods of time has a negative effect on the intellectual development of children and affects the mental capacity of older people.

(5) In conclusion, people shouldn't watch too much television because a lot of programmes are not educational; they waste time that could be used in more beneficial activities; and they affect people's mental development. This doesn't mean banning TV. However, we should watch it with moderation.

1. What is the purpose of this text?

- A. to recommend a TV brand
- B. to give information about TV
- C. to advise people to watch less TV
- D. to talk about the TV programs

2. Read the following sentence from paragraph “1”.

This doesn't mean banning TV. However, we should watch it with moderation.

3. Which of the following replaces the above underlined word?

- A. as
- B. but
- C. also
- D. therefore

6. According to the text, what would happen if TV wasn't cheap?

7. According to the text, how can we use the time we spend in watching TV?
