Read and answer the following questions.

Reading

1-Qatar is well known for its rich culture and its ability to bring people from different backgrounds together. One of the events that reflects this diversity is the annual food festival held in Doha. The festival attracts visitors who are interested in discovering new tastes and experiencing different cultures. It is not simply a place to eat; it is a lively event where people can share experiences and celebrate the diversity of food.

2-During the festival, visitors can explore a wide variety of dishes from Qatar and many other countries. Traditional Qatari dishes, such as Machboos and Harees, are displayed alongside international dishes from countries such as India, Italy, Turkey, and Japan. Visitors can taste spicy curries, freshly prepared pizza, delicious kebabs, and sushi. The festival also offers a range of desserts and refreshing drinks. This variety allows visitors to broaden their knowledge of different flavors and cooking traditions.

3-Food is not the only attraction at the festival. Visitors can watch professional chefs demonstrate their cooking skills and explain the techniques they use to prepare their dishes. There are also competitions, cultural performances, live music, and activities for children. Some visitors enjoy taking part in cooking workshops, while others prefer watching the chefs prepare special dishes. These activities create an exciting atmosphere and make the festival enjoyable for people of different ages.

4-The food festival also has an important cultural purpose. Sharing food can help people understand and appreciate traditions that may be different from their own. Families and friends can spend quality time together while discovering new flavors and learning about other cultures. For many visitors, the festival becomes a memorable experience because it combines food, entertainment, and cultural discovery. It shows that food can be more than something we eat; it can be a way of connecting people and celebrating cultural diversity
