When he came out of the store, carrying his bags, he saw that his car was missing from the parking lot. He called the police and reported that his car had been stolen. He told the police that he had left his cell phone in the car. The police thought hard about how to use the cell phone to find the stolen car. Finally, one of the police officers had a brilliant idea .

A police officer called the man's cell phone, and the thief answered the phone.

The officer explained that he had seen an advertisement in the newspaper about the car for sale and that he was interested in buying the car.

The officer asked a few information questions about the car and arranged a meeting for him to take a look at the car later that day .
