Teaching Tip

When doing listening activities in class, have students sit up straight and lean slightly forward. An attentive posture will help them concentrate on what they're hearing.

Additional Activity

Arrange students in small groups. Give each group a list of verbs from *SuperGoal 2* in random order. Without looking at their books or a dictionary, students create two lists, one for regular verbs and another for irregular verbs. When finished, groups compare lists. If there are any words they are not sure of, have them check in a dictionary.
