Teaching Tip

When setting up an activity for the class, make sure that students understand what they have to do *before* they start. When you have to stop to explain and then start again, it can waste time and cause confusion.

Additional Activity

Practice the pronunciation of *can* and *can't* by saying random sentences. For example: *He can't drive. They can take driving lessons.* Have students raise one finger if they hear the word *can*, two if they hear *can't*. Continue with students saying sentences for their classmates to guess.

Football is the most popular sport in the world. According to one source, more than 240 million people around the world play football. However, in the U.S., American football is the most popular sport. Football is also popular in Saudi Arabia. Boys begin to play at a very young age, and many of them dream of becoming famous football players.
