My grandparents' house is probably the home that means the most to me. It is more than 200 years old. There are seven rooms and two bathrooms in my grandparents' house. There are three bedrooms upstairs and a big wooden staircase going downstairs. The living room has a red rug and a red sofa in it. There are also lots of big, comfortable armchairs in the living room. The dining room has a big wooden table and six wooden chairs around it. The kitchen is big and spacious and it has a big, old-fashioned stove in the corner. The study is my grandfather's favorite room. It has many books, armchairs, and a sofa.
