.Pick the adjectives which are mentioned in the paragraph in page 54

Our home is a modern apartment in the city. It's on the seventh floor. The apartment isn't big, but it's very comfortable. It has two bedrooms, a bathroom, a kitchen, and a living room. There isn't a dining room, but the kitchen has a table and chairs. My favorite room is the living room. It has large windows and a balcony. There are some pretty flowers on the balcony. The best thing is that there's a great view of the city!
