نوع السؤال: إختيار من متعدد

.Which of the following school clubs involves sports activities

- Poetry Club ☐
- Computer Club ☐
- Football Club ☐

Teaching Tip

Look for ways to have more “student-talk” in the class and less “teacher-talk.” For example, when possible, have students read directions and ask questions. Have students respond to other students’ questions, rather than you.

Additional Activity

Play the coffee pot game. Students think of an activity verb, such as *read, eat, watch, walk*, etc. The other students try to guess the verb. They ask *yes/no* questions using the word “coffee pot” in place of the verb. For example, they can ask: ***Do you coffee pot in the morning? Are you coffee potting now?*** When a student wants to guess the verb, he or she says: ***Is the verb _____?***

Project: A Survey

Have students do a survey about after-school activities. They can talk to classmates and also to family and friends outside class. The survey might include these questions: ***What after-school activities do you do? Are after-school activities a good idea? Why?***

Students bring their information to class and work in groups to prepare a report to present to the class.

One of the most popular after-school clubs in many schools is chess. Studies have shown that chess is not only fun, but also helps improve students' reading and math scores and problem solving skills.
