العامية

A celebrity is a person who is well known or famous and gets lots of public attention. I have never met a real famous person in my life. But my favorite celebrity is **Mohammed bin Salman bin Abdulaziz Al Saud**. I don't follow celebrities on social media but sometimes I like to read their thoughts, stories and memories on their Instagram accounts. This makes me feel that I am participating and taking part in their glory, and this gives me a good feeling. They have a huge influence on people, if they can be good role models and famous that would be awesome.

1. What is a celebrity?
2. What are the good and bad points of being a celebrity?
3. What celebrities do you follow on social media?
4. Which celebrity do you most admire and why ?

A celebrity is a person who is well known or famous and gets lots of public attention. Celebrities get special treatment wherever they go, and they are rich. Celebrities are recognized everywhere they go. Celebrities have no privacy and have many fake friends. I don't follow many celebrities on social media. Because most of them use their accounts only to promote their new products. I follow those, who show their live and side projects in some interesting way. I like to read their thoughts, stories, memories, not boasting. My favorite celebrity is **Mohammed bin Salman bin Abdulaziz Al Saud**. Because he is spreading the culture of tolerance that Islam calls for.

3. 😊 I follow those who upload some interesting and useful stuff.

He makes changes that made the Kingdom a great place.
