Read the following text then answer the questions:

The Masmak Fort is considered to be one of the most important sights in the centre of Riyadh. It was built around 1865 by Mohammed bin Abdullah bin Rasheed and came under the control of King Abdulaziz in 1902. Its beautiful architecture is a typical sample of Saudi Arabian culture and tradition. The word masmak means strong and thick, and this is why it was used not only as a palace but as a fort as well. The four Watch Towers on each corner of the fort make the building look really impressive. In 1995, the fort became a museum and nowadays it is visited by thousands of people every year. During their visit, visitors can learn many things about the tradition and history of Saudi Arabia. Some of the most important things to see are the Diwan (the King's sitting room), the old Mosque with the modern clock tower and the main gate of the Fort. The museum is open from Saturday to Thursday and entrance is free.
