Qassim

I like to go indoor climbing. I climb one, two, or three times a week. It depends on how often I go to the mall. There is a 12-meter wall there, and I can climb it very fast. Everyone watches me, and I feel great. I guess I like the attention. Indoor climbing is good exercise, and you don't need to worry about the weather. Outdoors on a mountain, I'm with only a few friends, and people can't see how well I can climb.

Fatima

I go to cooking classes once a week. I usually go with my friend, Noura. Our friends say cooking is a boring hobby, but I think it's very creative. I like making different ethnic cuisines, and I know how to cook traditional Mexican, Arabian, and Indian dishes. We learn how to combine different kinds of meat, vegetables, and spices into tasty meals. Sometimes I cook for my family, and they love trying my new creations.
