Teaching Tip

Remember that you are not the only teacher in the classroom. Whenever feasible, have students work in pairs or groups. Students will feel more comfortable working together and can learn from one another.

Additional Activity

Have students work in pairs and make as many sentences as they can about places in their country and/or region of the world, using the adjectives in Quick Check **A**. Have pairs read aloud their sentences. The class decides if they agree with each pair's sentences.
