Andy: I'm going to do something really different this year for vacation. I'm going to fly to Santiago, Chile. Then I'm going to take a boat all the way down to Patagonia. That's at the bottom of South America. There, I'm going to see the glaciers. These large areas of ice are going to be magnificent to see. Then I'm going to stay in a hotel in a nature preserve called Torres del Payne. I'm going to see animals in their natural environment. For example, there are many *guanacos* in this area. These animals look a little like camels, and they're in the same family as the llama, but they're smaller. It's going to be a thrilling experience. I can't wait!

Rod: I'm going to visit my friends in Switzerland. They live in a small town in the Alps. The town is a ski resort, and it's usually crowded. We're going to go mountain climbing and skiing. I think it's going to be really exciting. I'm looking forward to this vacation and going to another country.

Sam: Well, I'm not going to travel. I'm going to spend my vacation right here. My uncle has a small farm in the country near a beautiful river. It's really peaceful and quiet there. I'm going to fish, help with farm chores, pick vegetables, and just relax.

Language Builder

When *be going to* is used with *go* to indicate an event that will take place in the future, the second *go* is often omitted. For example: *I'm going to Africa for vacation* means the same as *I'm going to go to Africa for vacation*.

Jazan Province includes the Farasan Islands in the Red Sea: a group of 84 islands. The main island of Farasan is about 50 km off the coast of Jazan. Ferry service to the island is free twice a day. The islands are a protected nature reserve and home to the endangered Arabian gazelle and many species of migratory birds. Farasan Island is also known for its beautiful beaches and several archaeological sites of Islamic heritage.
