## The Best Place to Shop—and Be!

In an age where you can buy almost anything on the Internet, thousands of people all over the world still prefer to do their shopping in traditional places. In general, shoppers look for bargains, and the best prices are usually found in street markets. Many markets around the world have a similar lively atmosphere and sell nearly anything you can imagine from jewelry and clothes, fresh produce, spices, and fish, to carpets, electronics, and livestock.

Riyadh has some of the world's most beautiful modern shopping malls, with designer boutiques and brand names. But if you're looking for real bargains, you'll head for some of the traditional *souqs* in town. *Harajj*\* is a secondhand market just east of the city. Impress your friends and dress in Chanel and Armani for a fraction of the price, or get that new kitchen appliance you've been dreaming of. Many of the so-called "used" items aren't used at all—just don't tell anyone where you bought it.

Al-Bat'ha District is home to many traditional markets. Whether you are looking for electronics and watches, jewelry, perfume, furniture, car accessories, bicycles, or food—they sell it all at often ridiculous prices. For more traditional goods, antiques, and souvenirs check out Al-Thumairi near

the Al-Masmak Fort. This is particularly popular with tourists. And nearby is the Al-Deira market where everything is worth its weight in gold, literally. Looking for a camel? They come in all shapes, colors, and sizes at Souq Al-Jimal.

Visitors go to the local *souqs* for more than just shopping. You can see and meet an amazing mixture of people from around the world. Many feel that the cultural experience is the main attraction of these markets.

\*FYI: For Your Information

**FYI\***

*Haraj* is a large market where people buy and sell both new and used items, such as furniture, carpets, computers, electronics, car parts, clothing, and toys.

Read the story.

Do you have an umbrella? Someone invented the umbrella about 4,000 years ago. People used umbrellas in Egypt, Assyria, Greece, and China in ancient times. Nowadays, we use our umbrellas for protection from the rain. However, people first used umbrellas for protection from the sun. People in China were the first ones to use their umbrellas for rain. They put wax on paper umbrellas.

European women used umbrellas before European men used them. Jonas Hanway was the first man to carry one in England. He made umbrellas popular for men and women. Some people called the umbrella a Hanway because of him.

We make umbrellas from many different things. The first ones were made of wood and cloth. Now many are made of plastic or other synthetic materials. Today umbrellas are easy to carry. They fold up into a small package. The umbrella is a great invention. Don't forget yours the next time it rains.

They put wax on paper umbrellas.

European women used umbrellas before European men used them. Jonas Hanway was the first man to carry one in England. He made umbrellas popular for men and women. Some people called the umbrella a Hanway because of him.

We make umbrellas from many different things. The first ones were made of wood and cloth. Now many are made of plastic or other synthetic materials. Today umbrellas are easy to carry. They fold up into a small package. The umbrella is a great invention. Don't forget yours the next time it rains.
