Unit 9

Write about how parents and teenagers feel about homework

Homework... that's probably the worst part of school? You go home, tired, and suddenly you remember that you have a homework to do. You want to sleep, but because of all this homework, you're not getting enough sleep so the next morning, you wake up really tired. I think that school is great, I just think that the lessons could be shorter and there could be less homework so that we could have more time to sleep and do other things .

Write about your morning before school. What do you have to do?

I have to do a lot of things in the morning before school. I have to wake up. I have to take a shower. I have to brush my teeth. I have to eat breakfast. I have to take out the garbage. And sometimes I have to finish my homework!

Personally, I can't stand shopping in stores or malls. They're too crowded, and it takes too long to find what you want. You buy something and then a week later, you see it on sale. I prefer to do my shopping online. It's convenient, quick, and easy. When you know what you want, it takes just a few minutes to compare prices and buy what you need with just a click .

Write about your favorite store

my favorite store is Jarir bookstore . It is a big department store. They sell lots of things. They sell electronics , books , and different items that students need . He says , If you want to break a world record "Choose something you enjoy because you will need to practice and don't give up ". Your mind will tell you that something is impossible, but it isn't. If someone else has done something, and you work hard, you can do it too!

Write about your last vacation

I went to Pike's Peak in Colorado. It was great! We took a train to the top of the mountain. It is the tallest mountain in the state of Colorado. Before that, I went to the beach on vacation. It was fun, but I really like the mountains. For me, the mountains are nicer than the beach. Hiking is more fun than swimming, so my vacation to Pike's Peak was better than my vacation to the beach.
