## Q2. Read the passage and then answer the questions below:

The Eiffel Tower is in the centre of Paris, France. It is 324m high. It has become a symbol of the city and the country. It used to be the tallest building in the world. The tower got its name from its designer, Gustave Eiffel, and it took two years to build, from 1887 to 1889. On 6 May 1889, the tower opened to the public. At first, the French didn't like it but this soon changed, and today millions of tourists visit it every year.
