One day last week. My father and I were out shopping in town. We were looking for a present for my uncle. So, we went to a mug shop. My father saw a nice mug on the shelf. My father said your uncle will like that because he drinks a lot of tea. I picked it up to look for the price and it was the shop assistant's own mug. I was very happy to know that the shop assistant is my cousin. It was the strangest coincidence of my life to meet him.

Driving Age

SG3 U8
Page 92

- D. Write an essay to argue why the driving age in some countries should be raised to 18 or older. Use your notes from the chart and ideas from this unit.

- ★ What is the legal driving age in your country?
- ★ What is the main cause of road accidents?
- ★ Who are more likely to engage in road rage?
- ★ Why are teenagers not responsible drivers?

Why the Driving Age Should Be Raised

There is an argument that the legal driving age which is 16 years old in some countries, is too low and this causes an unacceptably high level of traffic accidents. Raising the driving age, would ensure young drivers are more experienced and less prone to road rage, which can put other road users at risk. Most teenagers are immature. For this reason, they are not responsible drivers.

Impolite manners

Good and Bad Behaviors

✱ A set of good behaviors towards others is called good manners. These good manners are taught to us by our parents and family members first and then by our schoolteachers. Good Manners are important for everyone to become a good person.

✱ Good manners make you a great human being. We like someone who treats everyone with love and respect. There is a saying that "Treat everyone as you want yourself to be treated". It is correct, if you won't respect anyone, who will respect you?

✱ An act that is incorrect and unexpected is bad behavior such as disrespect and bullying. The one who has bad behaviors is ignored by the world. I think we should have good behaviors to get respected, and become an example for others.

- 1 What is the worst impolite behavior that you don't like?
- 2 How does it affect others?
- 3 Do you think we should change this bad habit? why?

Page 128

It is hard to make decisions. Three years ago. After the death of my father. He suddenly died in a road accident, and my family had to struggle a lot after his death. I find none besides my family. Everyone who promised with various supports was absent. It was really a tough time for me and my other family members. It was impossible for me to continue my academic study. So, I had to take the decision whether I should continue my education or not. I continued the education and now I do not have any financial troubles at all. I think life is not a bed of roses.

- 1 What major life changes did you do?
- 2 What were the options? Between what and what were you choosing?
- 3 How have the changes influenced your life?
- 4 Why do you think this is hard choice?

Life is full of choices. Some are easy, some are hard. But every choice we make shapes **our future**.
