*Write an email about Studying in Another Country. Give your opinion about it.

Hi Sara

Sorry I haven't written till now. Since I got here in Australia. My major is the English language. I've been really busy with the course and making new friends. I'm speaking English all the time and going out in the evening with my classmates. We're real mix of nationalities: Chinese, Russian, Italian, Spanish and Brazilian. We all talk in English but I'm learning loads about other languages and countries too.

My host family are really nice. The parents, Susan and Paul are very friendly and kind. The children are called Lewis and Amy. They're both in primary school and are very sweet but they can be a bit annoying too.

We live near the school, so I walk there every day. It's only a short bus ride from Melbourne city center and there are many shops and cafes there. We will visit an ancient castle on a school trip next week. The weather is cold, so I bought coats and gloves. Local food is very delicious. I have a problem with home sickness, but I can adapt quickly to the life there by making new friends.

I'll send some photos of Melbourne next time. Take care and let me know how you are doing.

Lana
