Let me see what I need for dinner.

First, for the appetizer, maybe I'll make a salad. I'll get a few tomatoes, peppers, and onions. I have enough parsley and cucumbers for a salad. I have to get some olive oil. I only have a little left, and I don't have any lemons at all.

Then for the main dish, I'm going to make chicken and rice. I'll need a whole chicken and some garlic. I think I have the other ingredients.

I have nothing for dessert.
Maybe I'll bake some date cakes.
I'll need some dates for that.

Now, I think
that's everything.

Teaching Tip

Review and recycle language whenever possible to provide reinforcement of new language. You can always ask students about their likes and dislikes or their past and future activities in order to practice new structures and vocabulary.

Additional Activity

Review partitives. Write on the board: **a _____ of vinegar;**
two _____ of vinegar. Elicit ways to complete the phrases; for example, *bottle/cup* and *bottles/cups*. Brainstorm with the class noncount food and drink items, and write them on the board. Have students work in pairs to come up with ways to count them.
