## Reading Comprehension

Read the following passage then answer the questions:

## The Impact of Social Media

Social media platforms like Facebook, Twitter (X), and Instagram have transformed how we interact with each other. Launched in 2004, Facebook quickly became the world's largest social network, connecting people from all corners of the globe. Social media allows users to share updates, photos, and videos, fostering a sense of community and belonging. However, it also has its downsides, such as the spread of misinformation and cyberbullying. Despite these challenges, social media continues to play a significant role in shaping public opinion and connecting people. Businesses and organizations use social media for marketing, customer service, and brand building. Influencers and content creators have also emerged, leveraging social media to reach large audiences and monetize their content. As social media evolves, it will be crucial to address issues related to privacy, mental health, and the ethical use of these platforms.

Q1: Choose the correct answer:

1. In what year was Facebook launched?  
A) 2004 B) 2000 C) 2007 D) 2010
2. Which of the following is NOT mentioned as a feature of social media?  
A) Sharing updates B) Sharing photos  
C) Sharing music D) Sharing videos
3. What is one downside of social media mentioned in the text?  
A) High cost B) Spread of misinformation  
C) Limited accessibility D) Lack of features
4. How do businesses use social media according to the text?  
A) For entertainment B) For marketing, customer service, and brand building  
C) For software development D) For financial transactions
5. What role do influencers and content creators play on social media? They .....  
A) develop new social media platforms B) regulate social media usage  
C) provide technical support D) reach large audiences and monetize their content
6. What is a significant challenge of social media that needs to be addressed?  
A) Enhancing video quality B) Reducing the cost of internet access  
C) Increasing the number of users D) Addressing issues related to privacy, mental health, and ethical use
7. Which social media platform is mentioned as the world's largest social network?  
A) Twitter (X) B) Instagram C) Facebook D) LinkedIn
8. What sense does social media foster among its users?  
A) Isolation B) Competition C) Community and belonging D) Confusion
9. Privacy and mental health are not concerns related to social media.  
A) True B) False
10. According to the text, social media has negative effects.  
A) True B) False
11. The word (it) in the sentence (it will be crucial to address issues related to privacy) refers to Social media.
12. Based on the text the opposite of (slowly) is Quickly.

**Guided Composition**

Write a paragraph (no longer than 70 words) about (the consequences of your choices). Use the following prompts to help you:

1. What is a choice you recently made? (e.g., studying for a test, helping a friend)
2. What was the immediate result of this choice? (e.g., got a good grade, made someone happy)
3. How did this choice affect you in the long term? (e.g., improved your knowledge, strengthened a friendship)
4. What did you learn from this experience? (e.g., the importance of hard work, the value of kindness)
5. Why is it important to think about the consequences of your choices? (e.g., helps you make better decisions, avoid mistakes)

6

**My choice**

Last week, I chose to study hard for my test. As a result, I got a high grade and felt proud. In the long term, this choice helped me understand the subject better. I learned that hard work leads to success, which is important because it helps me avoid mistakes and make good decisions. Every choice has a result, so we must choose wisely.
