Prince William is the grandson of Queen Elizabeth II of Britain. He was born in London, England, on June 21, 1982. He is the elder son of Charles and the late Lady Diana, Prince and Princess of Wales. He has one younger brother named Harry.

William was educated at private schools in England. He attended one of the oldest high schools in England, Eton College. At Eton, he was captain of the football team and took up water polo. After graduation, William took a gap year, during which he trained with the British Army, traveled in Africa, and taught children in a small town in Chile.

He returned in 2001 and enrolled at one of the oldest universities in Scotland. He began studies in art history, but later changed his main subject to geography. William went on to earn a Master's degree—the best degree of any heir to the throne of Britain. He then decided to follow a military career and trained at the Royal Military Academy in 2006. He served in the Armed Forces with his brother, and two years later he earned his pilot wings. In 2009, he transferred to the Royal Air Force for helicopter training.

Prince William now serves as a co-pilot in the Search and Rescue Force. He also makes public appearances and performs his many royal duties—among which he is President of England's Football Association. And, like his mother, the late Lady Diana, he continues to help others by actively supporting many humanitarian causes.

Monarchies

A monarchy is a form of government in which the head of state is a king, queen, or emperor. Monarchy was the most common form of government in the nineteenth century, but it is no longer prevalent. Many monarchies exist in the world today, but the authority of the monarch in government proceedings differs from country to country. Today, there are about 40 nations in the world that have a monarch as the head of state.

The British monarchy is also called the Commonwealth realm and includes 16 nations with British heritage, such as the U.K., Canada, and Australia. Queen Elizabeth II is the monarch.

In the rest of Europe, there are monarchies in Andorra, Belgium, Denmark, Holland, Liechtenstein, Luxembourg, Monaco, Norway, Spain, and Sweden.

Islamic monarchies include Bahrain, Brunei, Jordan, Kuwait, Malaysia, Morocco, Oman, Saudi Arabia, and the United Arab Emirates.

Monarchies also exist in other parts of Asia such as Bhutan, Cambodia, Japan, and Thailand.

Teaching Tip

To help students build up their reading fluency and speed, do timed readings and keep a chart with the following: the date, the number of words read, and the words read per minute. In this way they will be able to see the progress they are making.

Additional Activity

Have students reread the biography of King Salman. Then with books closed, they make statements about King Salman in chronological order.

Project: Favorite Sports Teams

Students work in small groups. First they choose a sports team they all like and then do research to find out about the team members and their life stories. Groups present their projects to the class. Encourage them to bring in photos of the teams.

Many celebrities establish and give money to philanthropies for issues that they care about. Bill Gates and his wife have donated over \$28 billion to their foundation which focuses on global health and development.
