Life Story Timeline

The one day I spent in Morocco, Africa was an experience of a lifetime. When I finally reached Morocco and got off the bus, there were four little girls standing shoeless in the hot sun. After I swallowed my tears, I could not even try to picture this in America as it is not something you often see in the U.S. Meanwhile my tourist guide instructed me not to give them money as it encouraged the children to beg; however, I was wearing four silver bracelets. As I walked over to the girls, their eyes watched my every move. Then I kneeled down to their level while I gave each girl a bracelet. They stood there gleaming at me, for they were pleased. I felt completely in disbelief that this tiny gesture could mean so much. Though this experience was upsetting, and a huge culture shock, it will stay with me forever.

My name is Lana. I'm 14 years old .My hobbies are Reading Books, watching T.V, playing netball, playing video games and playing games with my father. My worst memories are snake and the housemaid in our house, because when I was 6 I killed a snake with my bike wheel, I'll never forget this moment and the housemaid, she was really strict with us, one day I haven't cleaned my room, so she hit me with the stick in my hands. My best memories are my last day of school and my birth day, because I spend one day with my friends, we went to cinema, restaurant, beach, and my birthday, because my dad buy me a bike for my 10th birthday and I went to trip to the beach for 1 day

My mum never lets me go out of my own, she always comes with me where ever I go. This is my mum .I'm so lucky to have a mum such as like her. My dad, he is one of the important person in my family, he was very good at making jokes and singing songs. He is best friend; We always sharing our opinion with each other. He buys me every thing I ask. He always very kind to us, he also cares about my future, he makes me happy, when I'm sad, he makes me happy by tell me lots of jokes and buys me a gifts. He was good in math so he helps me with my homework. He spends lots of time in work, so he helps me with us, without going anywhere, he took us to the restaurant every weekend, and he also a best cooker, he makes us food, whenever my mum get sick .I'm really happy to get a dad like him. My brother, he was younger then me, he was so nice to me, but he was so annoying sometimes, he helps me to do my homework. I live in Abha. I'm study in 110 High School in Jeddah. I'm in year 11, I get lots of friends and I also get a best friend, her name was Fatima, but now she was left from the school to another one. She was the one who encourage me with my Exam. I'm really missing her so much. I sometimes meet her in the mall. Also, I have got lots of friends in my class they are Noura, Sara, Mona, and Laura. My teachers are very nice. Now I can speak two languages and I'm trying to learn Chinese, there are lots of fun in my life, and amazing relatives and neighbors,
