A Strange Coincidence

One day last week. My father and I were out shopping in town. We were looking for a present for my uncle. So, we went to a mug shop. My father saw a nice mug on the shelf. My father said your uncle will like that because he drinks a lot of tea. I picked it up to look for the price and it was the shop assistant's own mug. I was very happy to know that the shop assistant is my cousin. It was the strangest coincidence of my life to meet him.

I was going for an interview. While I was walking to the building. I saw a man drop an empty sweet packet out of his car. I picked it up and gave it back to him. The man looked embarrassed and said sorry. Then I went to the interview. When I arrived there, I recognized the interviewer. He was the same man, and I was sure he recognized me, but he didn't say anything, and the interview carried on as normal.

At the end, he shook my hand and thanked me. He seemed to be smiling about something and he said he would contact me, So I don't know whether I got the job or not.
