Objectives

- By the end of this lesson, students should be able to read a website describing different school field trips
- By the end of this lesson, students should be able to identify and use phrasal verbs, and write a post about a field trip

STRATEGIES

01

Integrating reading comprehension about field trips with practical phrasal verbs

02

Guiding students to organize their ideas and write an engaging blog post about their experiences.

universe*

1 Look at the pictures and choose the type of text.

1 A blog about forms of transportation

2 A website about different places to visit

Science Museum

Many schools have already visited this museum, and they have had great adventures! There are talks about how the body works and a room about the railroad. We haven't taken the railroad tour yet, but we have heard that it's exciting! Find out about more activities [here](#).

How to get there:

The museum is close to the subway station, so it's best to take the subway.

Farm

Our class has just been on this trip to the farm, and we loved it! If you want to get away from the city, this is the perfect activity for you. It has already given many tours to schools, and has prepared many different activities!

How to get there:

You can find the farm close to the railroad station. Check the directions on the map.

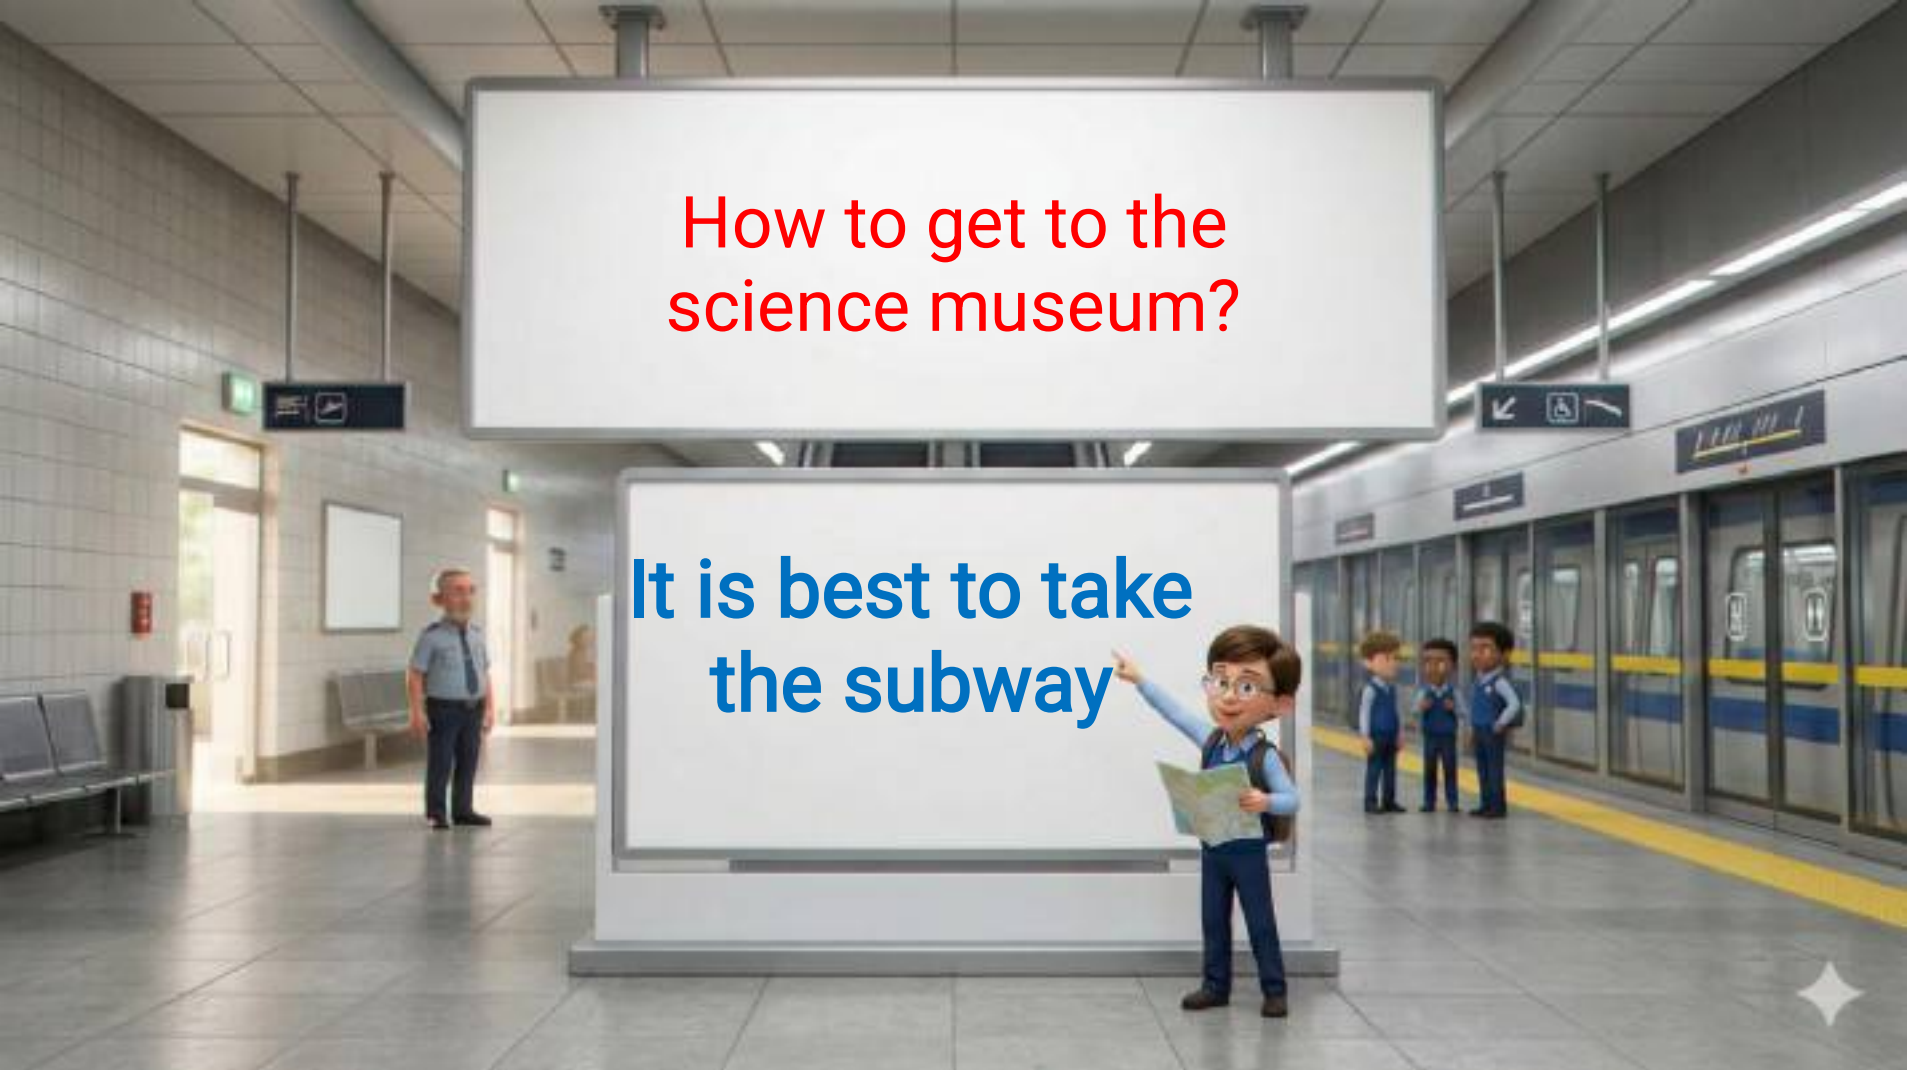

Planetarium

The new planetarium has just opened, and it's the best place to learn about space and the universe. You need to book the tour and check in at reception when you arrive.

How to get there:

The planetarium is downtown. It is easy to get to by taxi, but there may be traffic.

2 Read the text and complete. Use the words from the box.

airplanes been bought ~~city~~ get away just security spent swimming takes off

Hey! It's me again, Kai! I live in an apartment with my mom, dad, and two big brothers. We live in a big ¹ city, and it's cool because there's so much fun stuff to do here. But we sometimes want to ² get away from city life and go on trips.

Guess what? Our city is super close to the beach and the mountains. We're really lucky! We've ³ spent many weekends at the beach. We go ⁴ swimming in the ocean and play in the sand. We just can't get enough of the beach!

We also like going to the mountains. My parents have ⁵ bought a small house there. We keep some clothes and sports equipment there. So when we want to go, we just get in the car and off we go! We've ⁶ just come back from a trip to the mountains. We went hiking and fishing. It was great! Oh, and we love exploring new places in our country and in new countries. We've ⁷ been to a few places in the USA and Europe. We fly on ⁸ airplanes to get there. I don't really like going to the airport because there's always a big line for ⁹ security. And I always get scared when the plane ¹⁰ takes off and lands. But I still think traveling, near or far, is the best way to live your life.
